As a Peer Reviewer of manuscript titled -----  
-----

that was assigned to me by the journal on date -----, I certify that I have no competing personal and/or financial interest(s) with the author(s).

I also understand that I have the duty to maintain confidentiality of:

1. all information / material submitted to the journal for the purpose of publication
2. all observations, comments and queries associated with my peer review
3. all non-published policies and procedures associated with the peer review process shared with me by the Editor.

I understand that the duty of confidentiality prohibits me from purposefully disclosing confidential information and requires a meticulous approach in order to avoid the intended or unintended disclosure of confidential information. Confidential information includes but is not limited to the Biomedica policies and procedures that are non-published and shared with me, records, and reviewer assignments, as well as the identity of authors, their article status, their data and all other proprietary information submitted by them.

I understand that this duty encompasses beyond the duration through which I will be completing my responsibilities as a reviewer for the Biomedica.

I agree to take all reasonable steps to ensure that no use by me, or by any third parties related to me, shall be made of any author’s submitted/unpublished material. Further, I agree to return to Biomedica all documentation I received for the purpose of review and not to retain any copies of such documentation.

I agree I will not ask or directly contact the author or their organization / Institute in any case. Such correspondence shall only be done by the Editorial Board of Biomedica on my behalf.

I understand that any deviation from the code of confidentiality and non-disclosure of conflict of interest may lead to sacking of my status as a peer reviewer and possible disciplinary action as per Journal’s Policy on Research Misconduct.

In light of above mentioned regulations, I hereby  **Agree**  **Disagree** to review this manuscript as per Journal’s SOPs for Peer Review
